Construction on the pavilion at Green Meadows Park will begin Monday, May 1. The new shade pavilion is expected to be completed late this summer.

Talley Loop & Middle Creek Drive

Geotechnical work for both projects are currently underway. The geotechnical consultant is working on completing soil and groundwater sampling.

Piezometers were installed along Middle Creek Drive on April 28 to monitor water levels. Piezometers are subsurface water level monitoring equipment. This equipment is small and will not be visible. As always, be mindful and careful of crews on the streets.

Community Meetings & Events

Buda's Birthday & Stoneridge HOA Meeting

Thank you for coming out to celebrate Buda's Birthday with us! We were happy to share more information about the upcoming projects with you.
