

Middle Creek Drive Rehabilitation Open House Summary

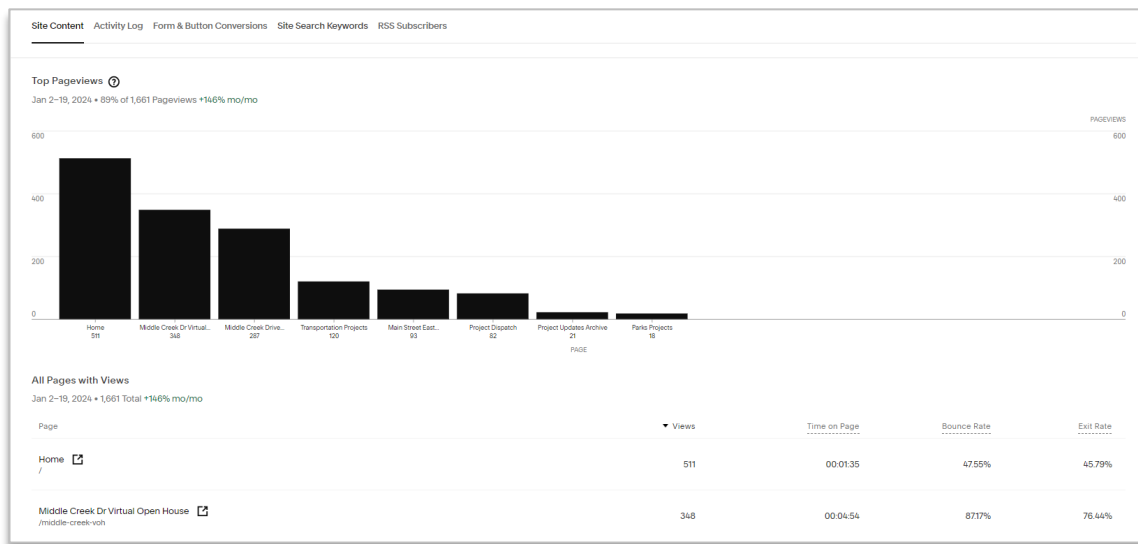

On Jan. 17, 2024, the City of Buda hosted an in-person open house at Buda City Hall and invited the community to learn more about the Middle Creek Drive Rehabilitation project and share feedback. The same information was available online as a virtual open house prior to the in-person open house and the comment period was open from Jan. 2 to Jan. 19, 2024.

Project Overview

As part of the voter approved 2021 Buda Bonds Proposition A Projects, the City of Buda plans to rehabilitate Middle Creek Drive. The rehabilitation will address ground water and repair the pavement to improve the condition and extend the life of the roadway.

Participation Highlights

- 358 participants
- ~ 10 attendees at the in-person meeting
- Webpage views during the virtual open house (January 2, 2024 – January 19, 2024) are highlighted below.

Comments Summary Key Takeaways

The community was able to share their feedback on the proposed improvements for Middle Creek Drive. There were 2 online comments and 2 emailed comments received. Overall, there was a general agreement that improvements are needed to address drainage concerns on Middle Creek Drive. Below are additional common themes.

Feedback Highlights for Middle Creek Drive Rehabilitation Project:

- Respondents noted concerns with flooding due to road conditions and drainage issues.
- Questions on the process for connecting existing sump pumps to new drainage.
- Respondents asked if improvements extended to Bayou Bend Drive

- Respondents suggested that surveys be conducted on other roads of Whispering Hollow not just Middle Creek Drive.

PROMOTION

The open house was promoted through emails to stakeholders, yard signs, social media posts, and media releases.

Email to Stakeholders

Email notices were shared to promote the open house and the comment period:

- Dec. 21, 2023 – An open house announcement email was sent to 264 stakeholders, including homeowner associations.
- Jan. 3, 2024 – A virtual open house reminder was sent to 270 stakeholders to encourage participation through the online comment form.
